

Singular → Plural

Nouns in English has singular and plural forms. For most nouns, there are simple rules which can be used to convert singular nouns to plural. (Note that these rules do not cover all cases.)

- For words that end with s, x, or ch, add es.
 - (For example: box → boxes, witch → witches)
- For words that end with y and the letter before y is not a vowel, change y to i and add es.
 - (For example: fly → flies, memory → memories)
- For any other words, just add s.
 - (For example: computer → computers, boy → boys)

Input

A singular noun in English.

Output

The plural of that noun in English.

Example

Input (from keyboard)	Output (on screen)
box	boxes
fly	flies
boy	boys
computer	computers
